OBJECTIVE

Dedicated and enthusiastic B.Tech Computer Science student currently in the 7th semester, with a strong interest in web development and software engineering. Skilled in DSA with Python, PHP, Laravel, and programming fundamentals, with hands-on experience developing web applications. Seeking opportunities to apply technical knowledge, enhance practical skills, and contribute to innovative software projects.

TECHNICAL SKILLS

Programming Languages : PHP, C & C++, Python, Data Structures and Algorithms, OOPs

Frameworks: HTML, CSS, JavaScript, Responsive Design, Bootstrap, Laravel, AJAX(basic)

Database & Tools: MySQL, GitHub, VS Code

Core Concepts: Data Structures & Algorithms (DSA), Object-Oriented Programming, Database Management Systems, Operating Systems, Computer Networks, Software Engineering

EDUCATION

Dr. A. P. J. Abdul Kalam Technical University

Bachelor of Technology in Computer Science and Engineering

2024 – 2027

Uttar Pradesh

EXPERIENCE

Office Assistant | Sarswati Group of College's

June 2024 – April 2026

Maharajganj, Uttar Pradesh

- Managed payroll and attendance records.
- Maintained student and office data.
- Generate report using MicroSoft Excel.
- Coordinated administrative and documentation.

PROJECT

Study Point– Educational Management System | *PHP, Laravel, MySQL, Bootstrap*

- Developed a web-based educational platform named "Study Point".
- Designed and implemented user-friendly interfaces for students and administrators.
- Implemented authentication, data management, and CRUD functionalities.

CERTIFICATIONS

- PHP with Laravel Framework - Techpile Technology
 - Web Development Fundamentals
 - Database Management Concepts
- Data Structures and Algorithms with Python - TuteDude
 - Learned Arrays, Linked Lists, Stacks, Queues, Trees, Graphs, Sorting & Searching Algorithms
 - Solved coding problems using Python
 - Certificate Completion: June 2026

ACHIEVEMENTS

- Successfully developed and deployed academic web development projects.
- Gained practical experience in Laravel-based application development.

SOFT SKILLS

- Problem Solving, Time Management, Adaptability, Analytical Thinking, Teamwork, Quick Learner.

LANGUAGES

- Hindi
- English
